- Progress with a sense of purpose and confidence
- Take ownership of their lives and steer towards success
- Grasp the concept of self-love and cultivate it within themselves

Jenelle Simpson stands as a testament to resilience, celebrated for her wide-ranging skills and impactful role as a public figure. With a trove of accolades, she is an award-winning author recognized on Amazon, a guiding mentor, an inspiring speaker, a generous philanthropist, and a dedicated mother. Jenelle brings her expertise to the forefront as a Senior Law Clerk in the realms of condominium development and commercial dealings.

At her core, Jenelle is driven by a mission to uplift and empower others, helping them to heal and transcend their past adversities. Her personal journey as a survivor of sexual, physical, and emotional abuse imbues her with a profound understanding and compassion, making her a beacon of hope for many.

As a pioneering entrepreneur, Jenelle has co-founded and leads several ventures, leaving a lasting impact on countless lives. She is the visionary behind the Roots of Jenerational Legacy Foundation, aiming to dismantle harmful generational patterns and foster a culture of healing, growth, and purpose.

In addition, Jenelle is the host of the Life's Deceit Podcast, creating a resonant platform that delves deep into life, the path to healing from trauma, and the art of overcoming obstacles. This podcast is a sanctuary for survivors to voice their experiences, gain solidarity, and access healing resources.

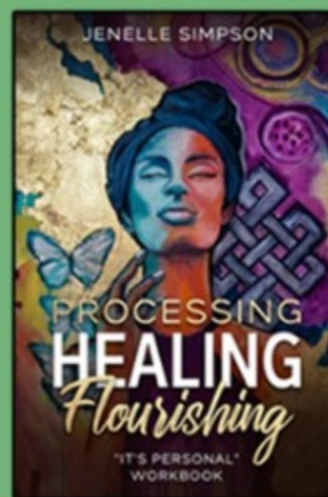

Jenelle's unwavering dedication also extends to supporting at-risk women and children, guiding them towards a brighter, self-sustained future. Her advocacy efforts are a powerful force for societal transformation, encouraging people everywhere to unearth and cultivate their true potential.

TESTIMONIALS

Jen, I have been listening to your podcast, and I love how transparent you are. You are out here transforming and saving people's lives. I commend you for being able to speak so positively about many dark experiences in your life.

Tanya - Event Planner / We Love To Party

"I am still feeling OVERJOYED by being a guest on your Life's Deceit podcast. I thank you so much for your beautiful spirit because it made me so comfortable and at ease during our interview. I always remember my 1st of everything with ICANDO and I'm so honored and grateful that THIS was my 1st podcast interview for ICANDO. This interview was a purposeful experience for me. I will never forget it. Thank you for speaking LIFE into me & ICANDO."

Reischel Sawyer - Women Empowerment Brand

Jenelle, meeting you and being on this journey together fills me with pride. Your exemplary motherhood and the way you instill values and inspire your children are truly remarkable. Your skills as a powerhouse speaker and coach shine through, and your podcast is a testament to your success. Keep pushing forward and changing lives - you are truly making a difference.
